INDEX

Vol. 121, July-December 1957

A

Air Pollution Program of the Public Health Service, The. Vernon G. MacKenzie 79
Alexander, Aaron D., M.S. Significance of the Leptospiroses in Military Medicine 1
Anderson, Louise C. The Nurse and Research 308
Areas, Medical Operations in Radiologically Contaminated. Lt. Col. James B. Hartgering, MC, USA 245
Army Medical Service Corps, Postgraduate Education in the. Major E. M. Thorne, MC, and Capt. Jos. Israeloff, MSC, USA 174
Around the World 54, 127, 185, 270, 338
Arthroplasty in Military Patients, Replacement. Lt. Col. Earl W. Brannon, USAF (MC) 325
Association Notes 58, 132, 191, 279, 342m

B

Ballistics, Studies in Wound: Temporary Cavity Effects in Solf Tissues. Max Krauss 221
Basom, W. Compere, M.D. The Use of Pull-Out Pins in the Treatment of Fractures—With Particular Reference to the Os Calcis 328
Beebe, Gilbert W. Influence of Type of Ground Operation on the Wounded in Action, U. S. Divisions in World War II 361
Blood by Freezing, Preservation of Whole. Harold T. Meryman, M.D. 261
Bodies, Autopsies and Identification of. John H. Schaefer, M.D. 107
Bone, Anorganic—Chemistry, Anatomy, and Biological Reactions. Lloyd A. Hurley, M.D. and Capt. Fred L. Losee, DC, USN 101
Book Reviews 68, 144, 215, 356
Bowers, Warner F., Col. MC, U. S. Army. The Qualities of Leadership 265
Brannon, Earl W., Lt. Col. USAF (MC). Replacement Arthroplasty in Military Patients 325

C

Casualties, Changing Concepts in Military Medicine Concerning Psychiatric. Miriam W. Hiester 312
Cercariae of *S. Mansoni*, Apparent Specific Inhibitive Action of Certain Oxytoxic and Spasmogenic Drugs and Substances Against. Emory C. Cushing 17
Community, A Therapeutic—As a Nurse Sees It. LCdr. Lina Stearns, NC, USN 121
Cortese, Philip T., M.D. An Extemporaneous Study of Intestinal Parasites in Philippine Scouts 84
Craig, Winchell McK., M.D. The Challenge of Painful Syndromes (The Kober Lecture, 1957) 153
Crookshank, F. G., M.D., F.R.C.P. Some Problems: Influenza 232
Cushing, Emory C. Apparent Specific Inhibitive Action of Certain Oxytoxic and Spasmogenic Drugs and Substances against Cercariae of *S. Mansoni* 17

D

Dentistry, New Horizons in Preventive—The Public Health Point of View. Dent. Dir. Thomas L. Hagan, USPHS 113
Discs, Spontaneous Reductions of Dislocation of Cervical Intervertebral. Benjamin H. Kesert, M.D. ... 15
Drummond, Sir Alexander, K.B.E., C.G., Q.H.S., F.R.C.S., D.L.O. Military Medical Problems in Britain Today 163
Dyme, Harry C., Ph.D. Air Force Survival Feeding 22
Air Force Nutrition in Flight 238

E

Editorials:
International Geophysical Year 50
Our Convention 125
Automobile Neurosis 125
Surgery in World War II 182
Influenza 268
Thanksgiving 336
Fitness of American Youth 336
Soutnik 415
Eiseman, B., M.D. A Rapid Method for Oxygenation of Stored Blood 256

F

Feeding, Air Force Survival. Lt. Col. Albert A. Taylor, USAF (VC) and Harry C. Dyme, Ph.D. 22
Feeney, Elizabeth, Lt. NC, USN. The Changing Role of the Nurse as a Teacher 304
Fever (Far Eastern Type), Viral Epidemic Hemorrhagic. Further notes on Its Appearance in Europe and Asia. Claudius F. Mayer, M.D. 380
Food Service Test at Brooke Army Hospital, Report on Central War. Major Gen. Stuart G. Smith, MC, USA 291
Foreign Body of Twelve Years Duration, Intra-Uterine. Major Ekrem S. Turan, MC, USAR 96
Fractures, The Use of Pull-out Pins in the Treatment of—With Particular Reference to the Os Calcis. W. Compere Basom, M.D. 328
Freedom, Toward a Newer. Col. Hardy A. Kemp, MC, USAR 405

G

Goodman, Joseph R., Ph.D. Clotting Factor Abnormalities in Chronic Liver Disease 251
Gorman, Harry A., Col. USAF (VC) A New Prosthetic Hip Joint 91

H

Hamit, Harold F., Lt. Col. MC, USA. An Extemporaneous Study of Intestinal Parasites in Philippine Scouts 84
Hansen, R. G., Capt. USAF (MSC) A Hearing Evaluation of a Squadron of Jet Aircraft Personnel 319
Hagan, Thomas L., Dent.Dir. USPHS. New Horizons in Preventive Dentistry—The Public Health Point of View 113
Hartgering, James B., Lt. Col. MC, USA. Medical Operations in Radiologically Contaminated Areas .. 245
Haynes, Inez, Col. A.N.C. The Nurse as an Administrator 301
Hearing Evaluation of a Squadron of Jet Aircraft Personnel, A. Capt. R. G. Hansen, USAF (MSC) and Capt. C. Westerbeck, USAF (MC) 319
Hiester, Miriam W. Changing Concepts in Military Medicine Concerning Psychiatric Casualties 312
Hip Joint, A New Prosthetic. Col. Harry A. Gorman, USAF (VC) 91
Humphreys, James W., Jr., Col. USAF (MC). A Break with Tradition 371
Hurley, Lloyd A., M.D. Anorganic Bone-Chemistry, Anatomy, and Biological Reactions 101

I

Influenza 236
Influenza: Some Problems. F. G. Crookshank, M.D., F.R.C.P. 232
Iodism, Prednisolone in—An Observation. Lothar Wirth, M.D. 105
Israeloff, Joseph, Capt. MSC, U. S. Army. Postgraduate Education in the Army Medical Service Corps 174

K

Katz, J. Harry, M.D. A Visit to a Dermatological Center in Soviet Russia 409
Kemp, Hardy A., Col. MC, USAR Toward a Newer Freedom 405
Kesert, Benjamin H., M.D. Spontaneous Reductions of Dislocations of Cervical Intervertebral Disc ... 15
Kistler, Grover C., Major MSC, USA. What the Hospital Administrator Should Know about Stock Control 44
Kober Lecture, 1957, The 153
Krauss, Max. Studies in Wound Ballistics: Temporary Cavity Effects in Soft Tissues 221

INDEX
